The screenshot shows a Windows desktop with a taskbar on the right containing icons for Windows, Adobe Reader, File Explorer, Google Chrome, Microsoft Edge, Firefox, and a video player. The Python 3.7.0 Shell window is open, displaying the Python version and environment information. The user has entered the command `print("hello ibm")`, and the output `hello ibm` is displayed. The cursor is at the prompt `>>> |`. The system clock in the bottom right corner shows 1:18 PM on 02-Nov-22.
